87/210, Raja S.C. Mallick Road, Kolkata-47

033-3571-5517; 6289169916

Certified by
**Maulana Abul Kalam Azad
University of Technology
(MAKAUT),
West Bengal**

About the Course

Now days India has passing through a phase of cognitive development. To meet the need of Global Excellency in every aspect is the major challenge of this country and to cope up this need, from primary to quinary, every sector needs a revolution i.e. Digital Revolution. Hopefully, India has caught the line of change and has transformed herself into the new Digital Era by adopted a new information regime through its 'Digital India' program to support good governance, sustainable development goals empowerment its citizens. In that case, since the last three decades, Geospatial technology possesses an important role to cater these types of situations. Now days, India is also evolving its own Geospatial Ecosystem and the basic purpose of it is to improve the provision of geospatial data and information into the public domains as well as to strengthen the institutional capacity by enhancing the performance of the organizations. In this context, developing and improving the technical capacity at the individual level, remains as the key factor for the success of this change. Hence, addressing these issues IIGST has taken an initiative to execute different Capacity Building Programmes through short term certificate/ PG Diploma courses on Application of Geospatial Technology for both the academicians and Govt./Non Govt. officialsto enhance their capability in that particular field.

Job Opportunities

GIS and Remote Sensing experts can get hired at different levels in positions like GIS Mapping Technician, GIS Data Specialist/Scientist, GIS Business Analyst, GIS Operator, Geospatial Software Engineer, GIS Application Specialist, GIS Engineer, GIS Programmer, GIS Consultant, and GIS Technical Assistant

Organizations in India that require GIS experts

- Indian Space Research Organization
- National Remote Sensing Centre
- Indian Council of Agriculture Research
- Space Application Centres and Aviation
- Urban Development Authorities and Municipalities
- Watershed and Wetland Management
- Forest Survey of India
- Geological Survey of India
- Survey of India
- Department of Science and Technology
- Ministry of Defence
- Ministry of Environment
- National Spatial Data Infrastructure
- Indian Institute of Remote Sensing
- Indian Agricultural Research Institute
- National Informatics Centre
- North Eastern Space Applications Centre
- India Meteorological Department etc.

Course Details

Total Number of Seats: 30

Min. Eligibility: Graduate in any discipline

Course Curriculum Followed: University Syllabus

Course Fees: 50000/- [Excluding admission processing fees, exam fees etc.]

Total No. of Semesters: 02

Class Type: Offline (Theory + Practical)

Class Schedule: 10 Hrs. per week

Field Survey & Dissertation Project: Yes

Certificate issued by: Maulana Abul Kalam Azad University of Technology (MAKAUT), W.B

Examination: Examination will be held at per the university norms

Placement: 100%

Resource Persons

Resource Persons From IIGST,
Govt. Bodies & Industry
Professionals

Classes will
commence from
January, 2024

For any assistance

WhatsApp: 6289169916, 87777 82946
Email: iigstkolkata@gmail.com

Training Support

- Training materials for practice.
- Real life hands-on training data.
- Hands-on assistance during the training.
- Learning guide documents.
- Live Discussions
- Project Handling
- 24x7 Hrs Support

Application Procedures

→ Step - I

Pay the 1st Semester fees in the given bank account of SAIARD-RSIGST

Bank- SBI
Beneficiary Name- IIGST - SAIARD
Acc. No- 38377901244
IFSC Code: SBIN0016629

→ Step - II

Make a single PDF File (not more than 5 MB) of the following documents (original Marksheets & Certificates, Caste Certificates (if any), Aadhar Card)

→ Step - III

Scan the given QR code to fill up the Google Form

→ Step - IV

After selection they have to pay their semester fees to enroll

After successful registration a confirmation mail will be sent on behalf of RSIGST. The applicant must keep this record for their future reference. Course fees are non-refundable

Admission will be based on first cum first serve basis

Study Kits will be provided on behalf of RSIGST to all the students
